

B. Eng. Liudmyla Fedorchuk
Project Engineer Building Services

To expand our team we are looking for a **CAD Sanitary Engineer (m/f/x)**

Locations: Stuttgart, Weinheim

Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- Planning and graphic representation for all service phases (in particular 1 - 7) for sanitary engineering
- Conception of innovative and sustainable concepts
- Close cooperation with the architecture and technical building equipment
- Further development of the field of sanitary engineering

Your profile

- You'll have successfully completed your education as a sanitary engineering draftsman or comparable educational background
- You're a team player with relevant professional experience
- You have knowledge of the heating, ventilation and air conditioning trades
- You have strong computer skills
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
