

Dipl.-Ing. (FH) Dieter Möhrle
CAD Engineer

To expand our team we are looking for **Civil Engineers or Draftsmen (m/f/x)**

Location: Germany (Berlin, Stuttgart)

Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- Engineering implementation of architectural specifications of demanding national and international construction projects
- Preparation of formwork and reinforcement plans as well as of construction drawings in steel, timber and facade construction

Your profile

- You'll have successfully completed your apprenticeship (as a draftsman in civil engineering or structural engineering) or your education as a civil engineer (majoring in structural engineering)
- You're a team player who ideally has professional experience
- You have strong powers of spatial visualization
- You're familiar with CAD software
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
