

Dipl.-Ing. Andreas Malcher  
Team Manager Bridge Structures

## To expand our team we are looking for **Object Planner Bridge Construction - several years experience (m/f/x)**

Location: Berlin

### Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

### Your responsibilities

- Project management in bridge planning, from initial design to implementation
- Object planning of engineering structures in all work phases
- Comprehensive handling of exciting projects with experienced engineers and architects
- Project management in the BIM method
- Development of the sustainable construction of engineering structures

### Your profile

- You'll have successfully completed studies in civil engineering or architecture
- You have several years of professional experience, ideally initial management experience
- You're experienced in dealing with engineers, designers and with other specialist planners and customers
- You have experience in the development of detailed solutions
- You have knowledge of CAD programs
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
