

Dipl.-Ing. (FH) Markus Berger  
Teamleader Building Services

## To expand our team we are looking for a **Project Manager Building Services (m/f/x)**

Location: Germany (Frankfurt, Stuttgart, Weinheim)

### Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

### Your responsibilities

- Development of resource-saving, innovative and sustainable building technology concepts
- Managing MEP projects in all HOAI service phases, with support from our team of technical experts and MEP designers
- Independent management of projects covering all KG400 trades and coordination with the stakeholders involved in the project, such as clients, architects and specialist planners

### Your profile

- You have successfully completed your studies in building services, technical training or hold a comparable qualification
- You have professional experience and solid knowledge in the planning of building services
- You ideally are experienced in BIM and have knowledge of Revit

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
