

Dipl.-Ing. Architekt Martin Groß  
Team Manager Facade Engineering

## To expand our team we are looking for **Project Managers Facade Engineering (m/f/x)**

Location: Vienna

### Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles)
- An office in an attractive location with excellent public transport links
- Good teamwork, good working atmosphere and several annual team events

### Your responsibilities

- Planning of sophisticated and unique facades in collaboration with internationally recognised architectural firms
- Facade-technical implementation of architectural and utilization-dependent specifications, taking engineering and building physics constraints into account
- Project management from the first draft to execution

### Your profile

- You'll have successfully completed your education in civil engineering, architecture or something comparable
- You ideally have several years of professional experience
- You're experienced in supporting designers, in dealing with architects and customers, and in developing detailed solutions
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role
- You have good communication skills and the ability to work in a team

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch
