

M.A. Inanna Genthner  
Head of Tax & Accounting

## To expand our team we are looking for a **Specialist Group Accounting (m/f/x)**

Location: Stuttgart

### Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

### Your responsibilities

- Planning and independent preparation of consolidated financial statements in accordance with German GAAP (HGB)
- Responsibility for the ongoing group accounting in Lucanet
- First point of contact for accounting-related issues within the group
- Further development of accounting policies and ongoing optimization of systems and processes in group accounting
- Analysis and commentary on the financial statements of subsidiaries worldwide
- Execution of special projects in (group) accounting, such as optimizing the reporting of foreign subsidiaries
- Support in sustainability reporting according to ESRS/EU taxonomy
- Competent point of contact for auditors, management, and subsidiaries

### Your profile

- You'll have successfully completed your studies in economics or business administration
- You have several years of professional experience at an auditing firm or in the group accounting department of an international company
- You have strong knowledge of accounting, particularly in the field of group accounting under German GAAP (HGB) - knowledge of IFRS is a plus
- You have experience with consolidation software (preferably Lucanet) and BI tools is desirable, as well as proficiency in MS Office (especially Excel)
- You have strong analytical, communication, and team skills
- You are independent, have a structured work approach with a strong sense of responsibility and high quality standards
- You have a very good command of German and English

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
