

Dr.-Ing. Stefanie Weidner
Director Copenhagen Office

To expand our team we are looking for a **Structural Engineer and Co-Director (m/f/x)**

Location: Copenhagen

Our offer

- An interesting, leading role in an interdisciplinary team
- Cooperative professional relationships and a good working atmosphere
- Flexible hours and a competitive salary
- A permanent contract with long-term future prospects
- Opportunities for personal growth with an extensive selection of professional development programmes
- Climate-friendly transport incentives

Your responsibilities

- Applying your engineering skills to help execute ambitious construction projects around the world
- Further establishing the office of WSCP in Copenhagen
- Producing the calculations and conceptual designs for loadbearing and special structures
- Leading a local growing team and local and international projects
- Interacting with various specialist planners, both from within our company and from other firms
- Communicating with architectural practices, clients and contractors

Your profile

- You'll have successfully completed your education as a civil engineer (majoring in structural engineering) and have a minimum of 5 years experience in a leading role as a structural engineer in the Danish market
- You're confident to advise and consult clients and architects on various different structural systems and materials
- You speak fluent Danish and have a very good command of English, knowledge of German is an advantage
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, sustainability and design. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
