

M.A. Inanna Genthner
Head of Tax & Accounting

To expand our team we are looking for a **Tax Expert/Tax Consultant (m/f/x)**

Location: Germany (Stuttgart)

Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- Serving as a contact person for domestic and international locations and administrative departments on tax-related issues
- Preparing tax filings and declarations as well as reviewing tax assessments
- Evaluating complex (international) VAT and income tax matters
- Contributing to the continuous improvement of tax processes and tax compliance
- Supporting accounting with booking ongoing business transactions and preparing annual and monthly financial statements according to German GAAP (HGB)
- Managing tax audits and collaborating closely with tax consultants, auditors, and authorities domestically and internationally

Your profile

- You'll have successfully completed studies in finance or business administration with a focus on taxes, finance/accounting, or a comparable qualification, such as training as a tax specialist
- You'll have relevant professional experience in German and/or international tax law in practice, or several years of relevant experience in an auditing/tax consulting firm
- You enjoy building and optimizing the tax department and working in a team
- You'll have strong knowledge of tax and commercial law; experience in international VAT law is advantageous
- You'll have a responsible and independent work ethic combined with analytical thinking skills
- You're proficient in German and English, as well as in MS Office; preferably, you are also familiar with the ERP system Business Central
- We are happy to welcome less experienced but ambitious candidates and can offer career prospects to more experienced candidates

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
